05/20/15 07:15 CST 0 Flash Flood (due to Heavy Rain)

05/20/15 09:00 CST 0 Source: Newspaper

Streets were flooded in Pine Bluff.

Showers and thunderstorms developed across portions of the state in vicinity of a stalled front. Some storms became severe with damaging winds observed. Flash flooding also occurred as very heavy rain fell across portions of the state.

Rain came down faster than it could be carried away along Race Street in Searcy (White County) during the late afternoon of 05/16/2015. The photo is courtesy of Rebekah Hearn via Facebook.

 Flash Flood (due to Heavy Rain)

 05/25/15 23:00 CST
 0
 Source: Emergency Manager

Swift water rescues were completed to rescue 6 people from flash flooding along the South Fork of the Little Red River between Scotland and Walnut Grove in Van Buren County.

A storm system approached from the west on the 24th and slowly moved east towards Arkansas through the 25th. Areas of heavy rainfall resulted in flash flooding. Several severe thunderstorms also developed, producing large hail, damaging winds and even a couple tornadoes.
